

# Georgina Luck

*This week our famous artist has been suggested by Mollie in Year 3.*

*I wonder if you have heard of her or seen any of her pictures?*

*Georgina Luck is a modern artist who enjoys painting in watercolour and acrylics. Take a look at some of her paintings below, do you recognise these products?*

*Georgina is British and lives and works in East Sussex. A lot of her work is used in packaging, publishing and advertising. What do you think of her style? Do you like it? How do you think she achieves this style?*

*I bet you recognise some of these brands!*

*She doesn't just paint food...*

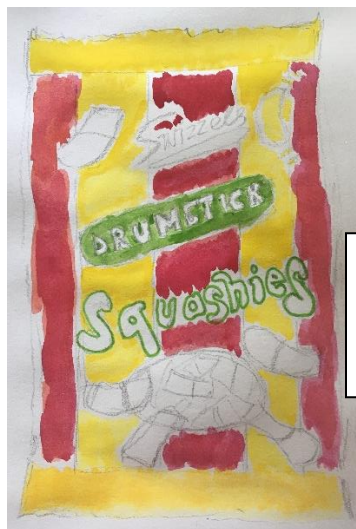

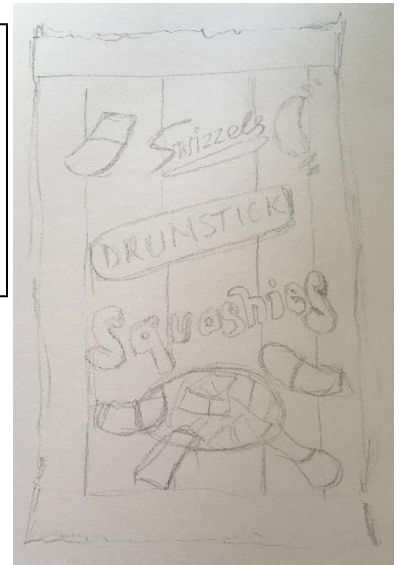

Have a go at your own Georgina Luck inspired painting...

1. Have a look around your home and find a product or object to paint

2. Using a pencil, sketch your product or object. Add as much detail as possible

3. Add paint to your sketch – I used watercolour paint

4. Go round the outline with a black fine liner. Add paint splashes and create smudges with extra water.

Ta da!!!

Now your turn...
