KEY QUESTION

Is anything ever eternal?

ETERNAL

What does the word eternal mean?

Have a think, then move onto the next slide to see a definition.

ETERNAL

eternal = lasting or existing forever; without end.

WHICH OF THESE DO YOU THINK WILL LAST FOREVER?

Write down which of the following you think might last forever – don't worry, there are no right or wrong answers here!

dinosaurs

food

the sky

oceans

the truth

trees

memories

planets

water

friendship

Stonehenge

the sun

the world

Jesus

a skeleton

mountains

a photograph

love

TASK 1

Using the headings from the table below, try and think of at least five things to put in each column:

Has lasted my lifetime so far	I think will last forever	I wish would last forever

You can either draw your own table on a piece of paper or print the one from the resources.

TASK 2

Does anything last forever?

What do you think?

I would like you to write a short paragraph giving your opinion on this question, explaining your reasons.

Please email this to your teacher – some of your responses will be printed and added to our RE floor book.
