New website

Following on from feedback on our parent survey, we have revised the St Mary's website in order to make it more informative. We are delighted to announce that our new St Mary's website is now live.

New Library

Thank you to all of you who supported us with the 'grand opening' of our new library. It was a very special occasion and it was wonderful to see so many families sharing books together. The children all had a wonderful day on Monday, learning about the life of an author, taking part in workshops and sharing stories. A huge 'thank you' to Miss Bell, Mrs Ilyas and Mrs Robbins for all their hard work in making the library such a special place for our children.

Parent Information Evenings

It was great to see so many Y4/5 parents/carers at our recent information evening about secondary transfer. For those of you who weren't able to make it, the Powerpoint that we showed is now on our website under the parents' section. If you have any questions about the process, please do not hesitate to contact the school. This is also a reminder to Y1 parents that there is a parents' information evening on Thursday giving information about the Phonics Screening and a Parents' information evening on behaviour for parents of children in any year group on 13th June.

Newsletters

Following parent feedback, we will be reverting to termly newsletters. Please look on our website for information about upcoming events, latest news and general information. Please also follow us on Facebook and Instagram for more updates on what is happening in school.
