Low attainment in literacy can present barriers to activities. Texts using older forms of language can increase literacy barriers. 	<ul style="list-style-type: none"> Use of simplified visual activities to support children's understanding. Use of simplified, dual coded resources. Mixing groups to support during lessons. Provide shorter, simplified texts. Teacher / LSA support for children during lessons to access learning. Non-negotiables that need to be in place in all lessons/classrooms when teaching History:

- 1. High challenge/low threat activities.**

2. Children can **express the key learning objectives** using a range of recording methods whether written, recorded, drawn etc.
3. **Memory aids are used**- dual coding, writing frames, word banks, learning walls etc.
