

Year 2 Home Learning Menu

Please complete one task a week.

Home Learning should be returned to school on **Wednesdays**.

One piece of Home Learning will be marked each week.

Some tasks are compulsory and marked with a *

Please continue to read daily and keep up with using your NumBots and Times Tables Rock Stars accounts!

School Value Challenge

One of our school values is 'Integrity'. Talk to your adult at home about what this school value means to you then draw a picture and write a couple of sentences about a time when you have shown integrity.

Writing Challenge*

We would like you to think about your time in Year 2 and write some sentences about your favourite memories. This could be topics we have learnt about, trips or fun you have had with your friends.

Extra Challenge:

Can you think of any questions you might have for your Year 3 teacher?

Maths Challenge*

This half term we will begin our learning all about how to tell the time.

Have a go at making a clock (we have attached a template to the class page if you would like it).

Then spend some time playing 'What's the time Mr Wolf' with an adult at home. Get them to give you an o'clock, quarter past, half past or quarter to time to make on your clock.

Extra Challenge:

Can you have a go at 5-minute intervals?

Science Challenge

Go for a walk in the local area and create a list of things that are Living, Once Living and Never Living.

RE Challenge

This half term we will be looking at lots of different places of worship. We would like you to think about a place that is special to you. This could be a church, mosque, polish school or somewhere else that your family likes to visit.

Can you draw a picture and write a couple of sentences about why it is important.

PSHE Challenge

This half term we are thinking about our similarities and differences.

With a member of your family can you find the similarities and differences between you both.

Record your findings in a table like this:

Names: _____

Similarities	Differences

History Challenge

Both Florence Nightingale and Mary Seacote were given many awards for their work. Can you design a special medal to celebrate their achievements?

PE Challenge

This half term we would like you to practise your target skills. Make a ball out of a pair of socks and draw or make a target area eg. Use chalk, sticks/stones to create a circle. Then record either the number of accurate throws into the target area, how many accurate throws you can make in a minute or the number of accurate throws when you change the distance from the target?

Computing Challenge

This half term we will be learning how to use 'Scratch Jnr' to learn how to program quizzes.

Can you come up with 3 questions about an animal of your choice that could be used in your quiz at school?

Test them out on your friends and family!
