Cards

Gaming Scenario Cards

You are playing an online game in a team and one member of the team leaves. Immediately, someone starts to post nasty comments about them, saying that they are a really bad loser when this isn't true.

What would you do?

Gaming Scenario Cards

You are playing an online game in a team and really enjoying it. Someone in the team's chat room keeps making rude comments about you. Nobody else has replied to them.

What would you do?

Gaming Scenario Cards

You've been gaming with a group of people. Some of the comments in the chat room about one of the players could be meant as a joke but you think they sound unfair and unkind.

What would you do?

You have been playing your favourite game for a while now and have been chatting online to another player. You get along really well. They ask to add you as a friend and ask for your phone number.

What would you do?

You're playing an online game in a team and a friend goes offline. You get a private message from them saying they are upset. They feel you were all playing too fast and leaving them out.

What would you do?

One of your school friends mentions that they are now texting and making calls to a person that they have only met through an online game.

What would you do?

You are chatting with other online gamers and someone asks where you live and what school you go to.
