Year 4 Home Learning Menu Spring 1

The 4 activities marked with a * are activities that must be completed.
You will need to bring the activity you have completed into school each Wednesday.

Writing Focus

We often talk about 'show not tell' in our writing. Using the emotions listed – use them in a sentence to 'show' how a character is feeling.

Eg instead of Betty was feeling sad, you could write; tears filled Betty's eyes and rolled gently down her cheeks.

Try these feelings:

nervous excited happy frightened angry

Geography – Coasts *

Research and write definitions for these key words. Please put the information in your own words – don't just copy!

arch stack stump spit erosion abrasion

Our Christian Value - Compassion

Using this school value as a focus – we would like you to write your own prayer that can be shared in class. Think carefully about how you will word it and remember to end with 'Amen'.

Art – Impressionism

This term we will be looking at paintings by Renoir. We would like you to choose another Impressionist artist and recreate one of their paintings. You can use whatever medium you like, e.g paints, pastels, crayons, collage
